2015-2016 School Year

Dear Parents:

Welcome Back! I hope your child is getting settled in and ready for the new school year. I just wanted to introduce myself. I am your one of the intervention specialists for this school year. I work in the resource room where your child comes in for extra help and/or to take tests. I will also be in charge of writing their IEPs. My goal this year is to have open communication with you. You may receive emails or letters from me throughout the year providing updates on your child. These updates will include the good, the bad, and the grades.

As for a little about me; I am from Hilliard and graduated from Kent State University. I have two dogs that my boyfriend and I treat like our kids. My dogs, Leila and Gretchen, are both rescues from the shelter. I am a huge football fan, as well as other sports and I love to bake and cook.

Please feel free to contact me. You may call the school (740/335-0291) and use my extension 3203. If I am unable to answer the call, please leave a message and I will return your call ASAP. You may also contact me by email at [tracy.johnson@wchcs.org](mailto:tracy.johnson@wchcs.org). Email will be the fastest way of communication, but please feel free to use either one. I am hoping to make this a great school year. Go Lions!

Sincerely,

Tracy Johnson
