Next year your student will have a locker that is 12" x 12" x 34" to store their items in (such as notebooks, lunchboxes, book bags and jackets). Please be aware of this as you purchase supplies to ensure that your child will be able to fit items in their locker. Bookbags are able to be carried to and from school, but will not be carried from classroom to classroom. The supplies your student brings to school will remain with your student (except for tissues, paper towels, & cleaning wipes). Please label all items and pencil pouch with the student's name as things are often left behind in various classrooms.
