Date: November 3, 2015

Dear Parents,

My name is Tracy Johnson and I am an Intervention Specialist at Washington Middle School. I am starting a reading program called the Wilson Reading System. It is designed to help students become better and more confident readers.

I have been conducting reading assessments on the students to determine who would benefit from this program and your child is one that I feel would. I will be conducting the program once a week during 10<sup>th</sup> period, that way students will not be missing out on class time. The reading program is set to start on Monday, November 9<sup>th</sup>.

If you would have any questions or concerns please feel free to contact me.

Sincerely,

Tracy Johnson  
Intervention Specialist
